

**Appeal Tribunal to commence 10am, Tuesday 7th February 2017
(4 days set aside) at Level 6, 144 Macquarie Street, Hobart**

We would appreciate all who can, to attend to show South Hobart community support and to establish a presence at the hearing.

The Resource Management & Planning Appeals Tribunal will decide the future of the proposed "Old Tannery Apartments" an excessively large & inappropriate, 2 storey, 24 unit residential development. Traffic engineers predict the new Tannery Apartments would generate a 200% increase to traffic in the very narrow 'No Through Road' that is Wynyard Street.

Due to the nature of the Tribunal, we need to continue to fundraise to pay for legal fees. We appreciate any donations & support for our community.
